

Junior Program Recreational Target Shooting Awards

We encourage and support junior programs at the local club level by subsidizing participation in the Shooting Federation of Canada (SFC) Recreational Target Shooting (RTS) awards program for .22 rifle. If a Club is affiliated with the Shooting Federation of Nova Scotia and is registered with the RTS Program, the SFNS will reimburse the club for the costs of awards for junior shooters. Just mail us a copy of your invoice/receipt for awards and indicate on it how many are for juniors.

Information on the SFC RTS Program is here:
