

Competitor Out of Province Travel Assistance

If a member of an affiliated club attends a National Shooting Championship in Canada or competes internationally as part of an official Canadian Team they are eligible for some financial travel assistance from SFNS. Annually the Federation budgets an amount for this program and the amount paid to each competitor is determined by the number of 'claims' received. In the Spring of the year affiliated clubs are requested to send the name of the competitor(s), the name, date and location of the event and the name of the affiliated club to SFNS. Note that this does not apply to those who were part of 'totally funded' (travel / accommodation / entry fees etc.) teams.

The reimbursement cheque will be made payable to the submitting club for distribution to the club member.
